Despite this song being a bit long for a 32 count dance, I wanted to keep it easy enough for everyone to enjoy, so resisted making it longer and more complicated.

The song fades/pauses about the 3 1/2 minute mark and then restarts - it's totally your choice (or the DJs) whether to start dancing again after the restart or stop there - I think that's long enough, but it doesn't worry me either way ! Step Sheet Courtesy of www.linedancefun.com
